ORDER ON MOTION

As the court's oral and written rulings on the issue were clearly stated, Defendant's *Motion for Clarification* (Doc. 67, Nov. 23, 2005) should not have been necessary; nonetheless, it is, for good cause shown,

ORDERED THAT THE *MOTION* IS GRANTED, and the court hereby reaffirms the ruling announced from the bench following the detention hearing on November 22 and documented in its ORDER filed November 23, 2005 (Doc. 62): **Electronic Monitoring is not a pretrial condition of release for this defendant; instead, he is placed on "home detention" and the other conditions specified in the ORDER setting Conditions of Release (Doc. 64, Nov. 22, 2005).**

Done this 29th day of November, 2005.
